

*Your Wedding at  
Freemason Street Baptist Church*

A Christian marriage is always a joyful event, not only for the couple getting married and their family and friends, but also for the congregation in whose Sanctuary the marriage is celebrated. It is assumed that those wishing to be married at Freemason Street Baptist Church believe in God as revealed in Jesus Christ; the language conveying such beliefs is to be found throughout the vows, prayers and music.

In our congregation we believe that a covenant of Christian Marriage is one in which the bride and groom make promises not only to each other but to the God and Father of the entire human family. We believe that families are the foundation of society. Anything this congregation can do to enrich and strengthen marriage, and thereby families, is one of the ways we contribute to the mutual happiness and well being of society. For these reasons we are delighted that you have chosen this church for such a singular event as your wedding.

We are excited about your wedding, and our prayers are for God to bless you not only during your wedding ceremony, but throughout your married life together.

# WEDDING GUIDELINES AND POLICIES

## THE MINISTER

A licensed minister of the Christian faith will officiate at all weddings. It is assumed that if the bride and groom have established a relationship with their pastor in their home church, he or she will be holding premarital consultations, and he or she will be conducting the service. Your pastor will be responsible to contact our minister for details regarding the liturgy to be used for the service. If circumstances keep your pastor from conducting the wedding, a minister from our church will step into this position. Should this option be exercised, our minister will be the minister of record, and all couples will be required to have an initial interview and consultations with our minister.

## WEDDING ARRANGEMENTS

When the decision has been made to have your wedding ceremony in Freemason Street Baptist Church, the first step in planning is to contact the church office can reserve the date and establish it on the church calendar. If you are having a pastor on our staff officiate your wedding, you will meet with them for an initial interview and confirm the date. Weddings will not be scheduled to begin later than 4:00 p.m. and will not be scheduled to take place on a Sunday. Weddings are also not scheduled during the month of December, during Holy Week, Easter or holiday weekends. Your completed "Application for Wedding" form, along with a \$100.00 deposit, must be returned to the church secretary at the time the wedding is confirmed.

For your information and convenience, the capacity of the sanctuary is a maximum of 350 on the lower level. The Fellowship Hall will seat 100. The renovated church parking lot has space for 85 vehicles including handicapped spaces. Additional parking is available across the street in the MacArthur Center garage. In your wedding publicity and on the invitations, the proper name of this church should be used. It is:

**Freemason Street Baptist Church  
400 East Freemason Street  
Norfolk, Virginia 23510**

No alcoholic beverages may be served or consumed on church premises. No drugs should be brought on church premises. Smoking must be confined to outside the church building

## MUSIC

The organist of Freemason Street Baptist Church is available to play for church weddings. Once a date has been approved by the minister and entered on the church calendar, the church secretary will give the name and e-mail of the church organist to the bride. It is the responsibility of the bride to arrange a time to meet with the organist to discuss music. Should you change rehearsal/wedding times it is the bride's responsibility to contact the organist. Our Minister of Music must approve any other organists.

Because the wedding is a service of Christian worship, neither secular music nor pre-recorded music will be permitted. The minister and church organist will have the final authority concerning the wedding music used. If a soloist or instrumentalist is used, he/she must provide the organist with the proper music.

## FLORIST AND DECORATIONS

You must instruct your florist that the church will open two hours prior to the wedding for decorating. You must make arrangements to see that all decorations are immediately removed following the ceremony.

No nails or tacks may be used in the furniture or woodwork. No lighted candles may be used on pew ends or windowsills – only in the chancel area. Only floral tape may be used on the brass urn. The policy in this paragraph also applies to the Fellowship Hall and all other areas in the church.

No tracking is to be used in the sanctuary. Silk flower petals may be scattered, but no live petals may be used. Rice, confetti, birdseed and the like may NOT be used on church grounds.

If you want candlelight, you must use the church candelabras. The candle inserts must be purchased from the church. Contact the church secretary to make those arrangements.

## **PHOTOGRAPHY**

No flash photographs may be taken by anyone during the wedding ceremony. Video taping of your wedding should be done in accordance with the sacredness of the ceremony. Video taping of the service may be done from the balcony using available lighting. It is expected that the sanctity of the service will be preserved. Guidelines for photographers are included within your wedding packet, and your photographer must sign the form.

## **DRESSING AREA**

The church will designate dressing areas for the bridal party and groomsmen. It is expected that these areas will be cleared before participants leave the church. This is not the function of the custodian.

The church will not be responsible for personal items i.e. wedding dresses, wraps, coats, cell phones, purses, which are brought to church in preparation for the wedding. The church is not held liable for any items lost or stolen.

All church facilities must be left in the condition as found, and care must be taken by the wedding party to protect furnishings in these rooms.

## **RECEPTIONS IN THE CHURCH**

The Fellowship Hall of the church is available for your use as the place for your wedding reception for a fee. The custodian will assist the caterer in preparing the hall and cleaning it following the reception. The custodian's services take place before and after the reception and should not be confused with the services a caterer may render. The custodian will be present to assist your caterer.

The planning of your reception and decorating of the Fellowship Hall are your responsibility. Only professional caterers may be used unless other arrangements are made in advance with the church secretary and Food Services Manager. All items must be furnished by the caterer. Depending on the number of those attending will determine if you will need your caterer to provide additional tables and chairs. There is a specific form the caterer must sign which outlines the guidelines. It is included in your wedding packet.

No alcoholic beverages or drugs may be served or consumed on church premises, and dancing is not permitted. Smoking must be confined to outside the church building.
